

OUR SERVICES

SERVICES MATRIX

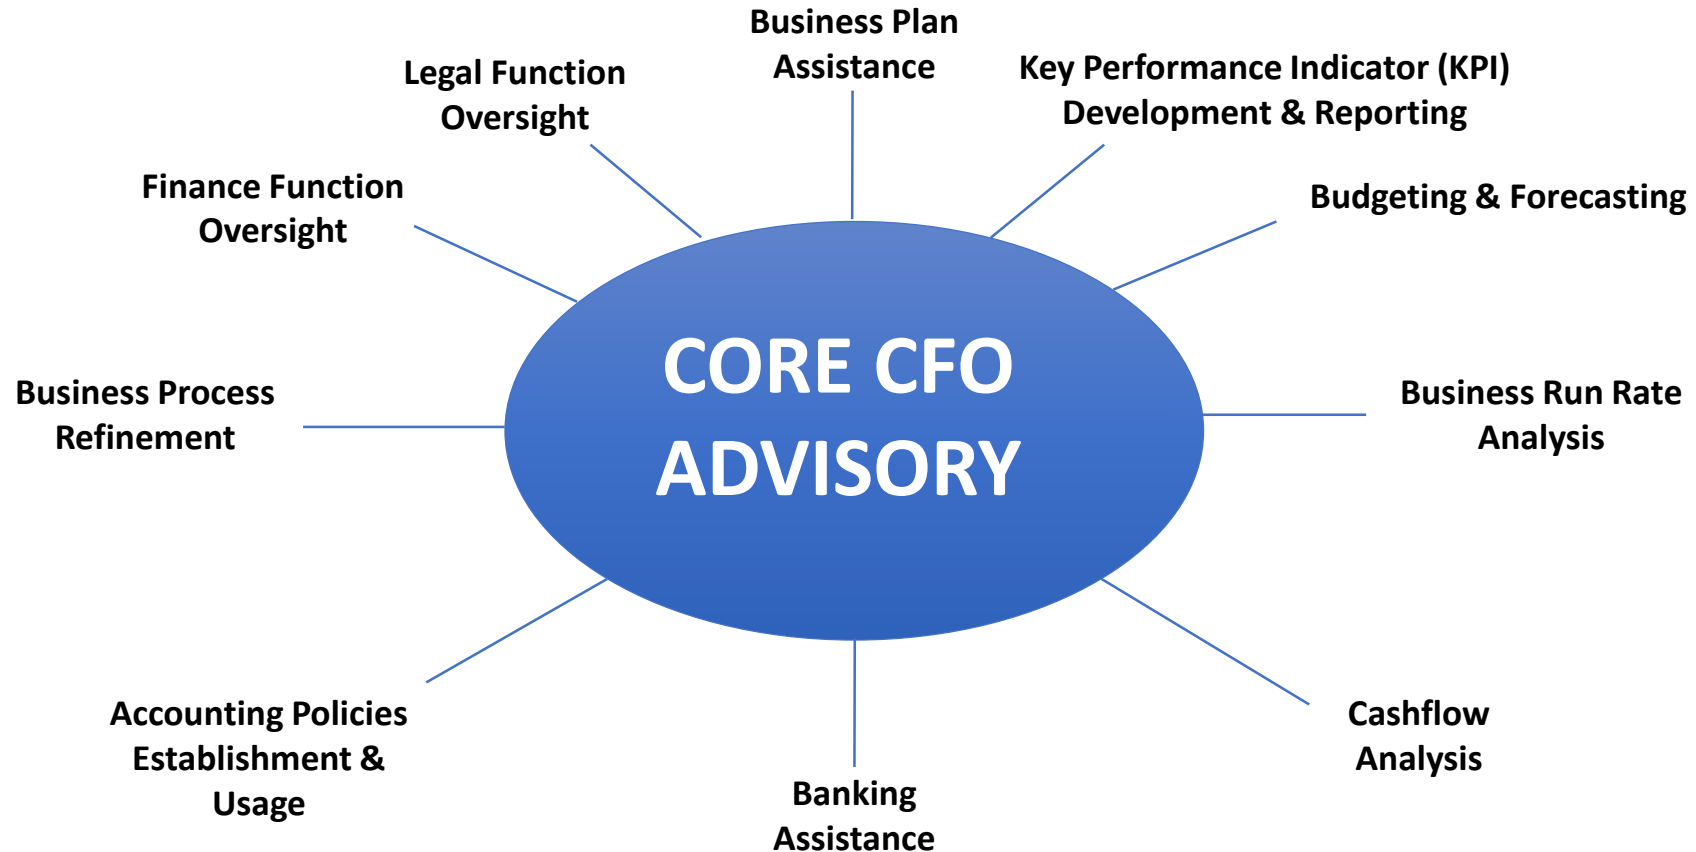

Our services are broken up in the following manner

- 1. Core CFO Advisory Services** – Referred to as Build the Foundations Services includes day to day activities a high caliber CFO typically does in running the finance function and working closely with management to help support the business
- 2. Specialized Advisory Services** – Referred to as Next-Level CFO Offerings includes more customized activities outside of the day-to-day Core CFO Advisory Services. Examples are managing corporate transactions (i.e. capital raising, business acquisition, equity sell down), sitting on your Board as a Director, advising a start up or sitting on an industry expert Advisory Board you have set up
